

# The 2020 3P Boot CAMP Experience

## Why Go To Camp When Camp Can Come To You?

### The 3P Philosophy:

We created 3P Speech (**Personalized Performance Preparation**) on a concept that we have not forgotten to this day:

Anyone who wants Speech or Debate coaching - no matter their demographic or financial situations - should have the opportunity to grow.

Collectively, 3P has some of the most successful, creative, and innovative coaches you'll find anywhere. With over 100 NSDA, NCFL, NIETOC, and UK-TOC Semis and Final round appearances, multiple state champions, and countless placings on the national circuit, the 3P team features some of the best forensics minds of our time.

### What is 3P Boot-Camp

Boot-Camp is 3P's way of personalizing and extending the typical forensics camp experience. Over a number of weeks, you will consistently meet with a singular coach to grow the conceptualization, implementation, and execution of your debate, speech, or interp event through a variety of lectures, exercises, and teaching methods administered by the 3P Coach.

By the end of summer, you will have a well-thought-out and completed speech & performance

## **What makes 3P Boot Camp Different:**

◆ Flexibility for Busy Schedules:

Have other things going on during your summer? Work up to 6-8 weeks to build your speech or grow your debate knowledge for the upcoming season.

◆ Completely online Interaction:

3P Coaches work with your students solely through Email, Skype/ Facebook/Google Chat, Dropbox, and/or Google Drive. No driving or flying to a remote location necessary!

◆ Top 3P Personnel of Your Choosing:

The 3P Coach you work with is who you want, not predetermined by a 3rd party.

## **Interp/Oratory Promises:**

◆ Original Materials: Never will we give you a speech or cutting or a script we put together 5 years ago for a previous student.

◆ Original Performances: Never will we have you imitate a performance from yesteryear. All of our ideas for characters & environment or metaphor & narrative are outside-the-box, forward-thinking, and for you and you alone.

◆ Care for Performer Growth: 3P doesn't just want a student to leave the program with only a great speech, but with the knowledge of how to independently cultivate original and beautiful speeches over and over.

◆ A Collaborative Process: 3P Speech Coaches do not expect to do all the work in creating the speech, nor should they! In order for a performer to truly grow, he or she must be given opportunity to succeed and fail in being guided along the path to greatness. Speakers therefore are expected to have a healthy hand in leading the analysis and artistic direction of the speech or performance while being guided by the 3P Coach in cultivating that artistic voice within.

◆ Open Communication: The 3P Speech Coaches are always available for questions via email. If you're having a problem, just shoot a quick email to them and they'll be happy to help as necessary.

## **Testimonials:**

*"I absolutely loved 3P! The coaches not only help tremendously, but I like to think of them as older siblings or parents--the relationship that I have kept with many of them is very endearing. Having sessions always opens my eyes to a deeper cut or a new perspective on an interpretation that can only come from a new pair eyes and brilliant coaches! I absolutely love working with anyone and everyone, and participating in the 3P program honestly just expands my love of Speech and Debate and what it means to be a performer."*

- Catherine Zhang: North Allegheny HS, PA ('14 NCFL Duo SF, '14 NSDA Duo QF)

*"I think that 3P is the greatest innovation in speech and debate. The ability for individualized coaching from finding your piece through perfection of blocking is the greatest asset. Of all camps and programs, 3P Speech easily has the best coaching and greatest value."*

- John Henry: Holy Ghost Prep, PA ('14 Villiger OO Finalist, '14 3PWW OO & DI Finalist)
